The clock says ten, won't you say when?
The hours go by, they seem to fly;

I'm ready, go steady when we begin.
Good gracious! good gracious! it's nearly one!

The time is right, I think we might
At half past two I'll say to you

Just chance it and dance it Away tonight.
"I love you, I love you! It's time you knew!"
REFRAIN

My time is your time,

Your time is my time;

just seem to synchronize and

sympathize. We're harmonizing

We
One steps and two steps,

Old steps and new steps There's

no time like our time And no one

1. like you 2. you
