The clock says ten,
won't you say when?
The hours go by,
they seem to fly;

I'm ready, go steady when we begin.
Good gracious! good gracious! it's nearly one!

The time is right,
At half past two I think we might

I'll say to you

Just chance it and dance it
"I love you, I love you! It's time you knew!"

C. H. 7732 - 4 My Time Is Your Time
REFRAIN

My time is your time,

Your time is my time; We

just seem to synchronize and

sympathize, We're harmonizing

C. H. 7732-4 My Time Is Your Time
REFRAIN

My time is your time,

Your time is my time;

just seem to synchronize and

sympathize, We're harmonizing
One steps and two steps,

Old steps and new steps. There's no time like our time. And no one.

like you.
