For the Knot There's No Untying.

Lyric by Stanislaus Stange.

Music by Julian Edwards.

Voice.  

Andante.

At love's beginning
How sweet the
As fancy carries
Love fondly

winning of a kiss
A tender kiss,
But when your heart is
Sweet his bliss
How sweet his bliss
But when your heart is

sighing
For the knot there's no untying
Remember this
Remember this
Remember this

this
Tho' successful be your wooing
Love has bliss but also
this
Love comes not where he is
bidden,
Longest stays when worst
