Nothing attracts a girl's eye
Like uniform and lace.

Girlie loves strain all militaire
When trumpets loudly bray.

Nothing will make a girlie sigh
Like banished the goblins, grief and care, mirth.

Military grace holds melodical sway
Quickly to window hearts beat in time to
girlie fly

play. For the brave soldier boy is the life and the joy,
girls the world around.

Waving their hands the band goes by. With
Tinting her cheeks like rose in June. And the
military pace.
